

POOLS disseminated in Lithuania

POOLS was presented at the annual conference “Teaching and Learning Foreign Languages at a College: Peculiarities and Problems”. The conference was held on 18 November 2005 at Kaunas College. 70 participants of the conference – teachers from the college, managers and guests from other colleges and universities – listened and watched a power point presentation given by one of the project participants Aldona Vosyliūtė. The project brochure was printed both in Lithuanian and English and handed to all participants of this event.
