<p>Communication: Which partners have you had communications with? How often and in which way have you communicated with partners?</p>	<p>Most contact with Greek partners Danish partners Scottish partners With other partners as response to project leader's mails.</p>
<p>Innovatory aspects: Describe any innovatory aspects to your activities.</p>	<p>We are taking the TextBlender and Wordlink outside the initial scope of the project framework, i.e. we are introducing both tools more and more both internally within the college and outside the college (international projects). There's a lot of interest from a vocational area. Also we have demonstrated it to the Dutch CLIL platform in Haarlem, NL. They are very keen to have us present it at their next CLIL meeting for secondary schools (100+) in NL.</p>
<p>Management: Do you feel that information relating to the management of the project is sufficient, relevant and effective? (Please comment). Give a rating on a scale of 5 to 1. 5 being the the most positive.</p>	<p>5</p>
<p>Dissemination: List of dissemination activities you have been engaged in.</p>	<p>See attachment</p>
<p>External impact/mainstreams: Any multiplier effect/impact.</p>	<p>See above</p>
<p>Overall comment:</p>	<p>Excellent project (management); these are tools that makes</p>

	teachers'(and students') lives easier and learning more pleasurable.
