Please complete this form to record the **activities** and **progress** in the period.

Communication: Which partners have you had communications with? How often and in which way have you communicated with partners?	We have communicated with all partners, mostly by e-mail, with some telephone communication with the project co-ordinator.
Innovatory aspects: Describe any innovatory aspects to your activities.	Significant breakthroughs with Wordlink: Links to dictionary pages "as image" – bypassing lemmatization problem, upload function incorporated, split screen option added, new dictionaries included.
Management: Do you feel that information relating to the management of the project is sufficient, relevant and effective? (Please comment). Give a rating on a scale of 5 to 1. 5 being the the most positive.	The project continues to be very effectively managed. Rating: 5
Dissemination: List of dissemination activities you have been engaged in.	Her Majesty's Inspectorate of Education have decided to place information about the college's European activities on their website as an example of Sector Leading and Innovative Practice.
External impact/mainstreams: Any multiplier effect/impact.	
Overall comment:	

Summary of Local Activities in the period: Dissemination and software development. See also http://www.smo.uhi.ac.uk/~caoimhin/obair/pools-t/twitter.html
Milestones met: On target

Delays (if any) in planned activities and outputs:

If applicable how will the team compensate for the delays and catch up:

Other comments:

Lemmatization remains an issue for the Gaelic language, though the "as image" dictionary viewing option ameliorates the problem significantly.
