

WORKSHEET N°1

DINOSAUR'S SONG - (from "The big green rabbit" a tv show)http://www.youtube.com/watch?v=HjGXB-HGK_Y&feature=related

LYRICS:

They used to walk. They used to swim.

They used to fly with a toothy grin.

Some ate plants and some ate meat.

Some walked around on just two feet.

Oh, the dinosaurs! Big as trees!

Chorus

The dinosaurs! Brains like peas!

Jaws and claws and teeth and bone...

That used to growl and groan and moan.

Some had feathers. Some had scales.

Spikes and clubs and whip-like tails.

They fought like dragons. The earth sure shook.

The volcanos sizzled and the lava cooked.

(chorus)

Tyrannosaurus Rex was a terrible king.

The stegosaurus' tail could really swing.

Brachiosaurus liked to stomp.

Trachodon would chew and chomp.

(chorus)

They roamed the earth for a hundred million years...

Without worries, cares or fears.

Then one day they hit the soil...

Now they're fossils, gas and oil!

(chorus)x2

The word dinosaur means “terrible lizard”

A lizard is a reptile

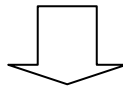

Dinosaurs are reptiles

Draw a reptile.

Choose among: **snake – lizard – crocodile – turtle**

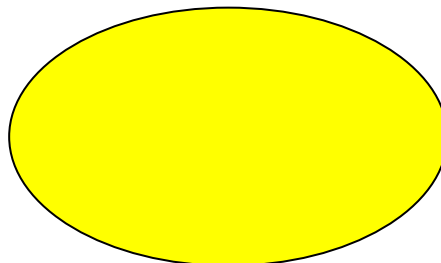

Dinosaurs are cold blooded animals

Like: **spider – snake – fish – frog – insects -alligator**

Mother dinosaurs lay eggs (from 3 to 20) in a

nest

DINOSAUR EGG

CHICKEN EGG
